Manuscript Clearance Form

All manuscript clearance forms (whether printed or completed online) must capture the following information:

Clearance # (assigned by IC):

Date of Request:

Name of Requestor (last, first):

Requestor's Phone #:

Requestor's Email Address:

Type of Manuscript:

Journal

Book

Abstract

Title of Manuscript:

Name(s) of Author(s) and Name(s) of Organization(s) (i.e. Smith, John, NICHD):

Publication to be Submitted to (Name of Journal/Book):

Have you verified that the journal or conference publisher is credible? The NIH Library can assist you with verification. (Refer to guidance NOT-OD-18-011, federal funds cannot be used for vanity publications or puffery):

Yes

No

2/27/2024

Abstract to be Presented at the (Name of Meeting):

Date of Meeting:

Location of Meeting:

Acknowledgement states "This research was supported [in part] by the Intramural Research Program of the NIH".

Yes No

Is this manuscript or abstract based on a Clinical Study Protocol?

Yes No

Clinical Protocol Number:

Do all human subject research activities presented in this manuscript comply with the approved protocol?

Yes No

Clinical Exemption:

Yes No

Do the Clinical Protocol or the study results contain any sensitive issues (e.g., vulnerable populations, PII, identifiable images) about which the reviewer should be aware?

Yes No

Is this manuscript or abstract based on an Animal Study?

Yes No

Animal Study Number:

Do all procedures performed with animals comply with the approved protocol?

Yes No

2/27/2024

Do the Animal Study Protocol or the study results contain any sensitive issues (e.g., images, photos, videos) about which the reviewer should be aware?

Yes No

Title of CRADA that has Supported this Research:

Name of CRADA Partner:

Is there a patentable invention resulting from this research?

Employee Invention Report Filed

Patent Application in Preparation

Patent Application Filed

Not Applicable

Newsworthy?

Yes No

Are Other Reviews (as Required by IC) Complete?

Yes No

Dual Use Research

Is there the potential that your research findings, work product(s), processes or results could be readily misused to cause potential harm? Consult the [Dual Use Questionnaire](#) to answer this question.

Yes No

If yes, please submit this form along with the manuscript to your SD and to dualuse@mail.nih.gov.

Select Agent Research

Were any select agents or toxins used in the experiments described in this manuscript?

Yes No

If yes, please complete the following questions in this section. If no, skip to the next section.

Using the HHS and USDA Select Agents and Toxins list (<http://www.selectagents.gov/select%20agents%20and%20toxins%20list.html>) as a reference, indicate which select agents or toxins were used in the experiments described in this manuscript and whether they were either stored or used at an NIH facility.

<i>Select Agent or Toxin</i>	<i>Stored at NIH</i>	<i>Used at NIH</i>
	Yes No	Yes No
	Yes No	Yes No
	Yes No	Yes No

I attest and affirm that the research described in this manuscript was conducted in compliance with the CDC Select Agent Regulations (42 CFR Part 73) and/or the USDA/APHIS Select Agent Regulations (7 CFR Part 331 and 9 CFR Part 121).

I will submit this article with a signed NIH Publishing Agreement & Manuscript Cover Sheet. If a peer-reviewed article, I will submit it to PubMed Central upon acceptance for publication, unless the journal deposits the final published article directly in PMC (<http://www.nihms.nih.gov>).

Yes No

Signature of NIH IC responsible author:

Have all authors reviewed the attached manuscript or meeting abstract and accepted the content and the authorship?

Yes No

Signature of the Lab or Branch Chief:

Date of Approval:

Signature of the Scientific Director or Designee:

Date of Approval:
